Bedrooms & suites

For your first night as a married couple, your package includes overnight accommodation with a full English breakfast. Start your new life together in style.

Many couples choose to stay for two nights. If you choose to stay on the day before the wedding, this allows for a rehearsal followed by a private dinner with close family and friends, then a wedding day breakfast or brunch. While on the day after, you can host a brunch or afternoon tea as your guests depart at their leisure.

We can also offer accommodation for your guests, comfortable and stylish rooms which are perfect for getting ready for the day and relaxing at the end of the night in.

There are 57 bedrooms in the hotel including 16 Superior rooms all in our garden block which come with a balcony or terrace along with a further eight Privilege rooms within the main hotel.

Your perfect wedding

When you wait to walk down the aisle to your best friend, take in those feelings of nerves and excitement and pause for a moment. This is the moment just before you become a married couple and start the next chapter of your lives together. Take it all in, the day has just begun.

"We had such a wonderful wedding day, and everything ran so smoothly thanks to you and your team - we didn't need to worry or stress about anything which meant we could just enjoy ourselves. Thank you for all your work in making the day amazing!"
